Vividia Infosys Pvt. Ltd

Kathmandu, Nepal

Dear Hiring Manager,

Upon discovering the opportunity as a Software Developer Internship at Vividia Infosys Pvt. Ltd, I took the time to carefully consider its position with my current academic path and professional aspirations and am writing this letter to express my genuine interest in it. Currently pursuing a BSc Hons in Computing, I'm in my third year at Softwarica College of Information Technology and E-commerce. Being an enthusiastic individual, I have gained experience creating different projects and am positive about the opportunity to contribute my talents and energy to your organization.

My current objective is to not only improve my technical skills but also to obtain a thorough understanding of the software development process in a professional setting. As an intern, I look forward to make contributions to the organization while also gaining valuable skills and experience.

Thank you for taking the time to look over my application for the Software Developer Internship at Vividia Infosys Pvt. Ltd. I am eager to discuss in more detail how my skills and experiences align with your requirements and how I can contribute to the continued success of your team. Please find my resume attached for your reference. You can contact me on shresthanusha60@gmail.com or 9843797952.

Sincerely,

Anusha Shrestha,
